

Delta Sports Physicals 2017

Physicals for athletes going into grades 7-12 next year have been scheduled.

Boys & Girls Physicals Tuesday, May 23 6:00 p.m. to 7:30 p.m. \$15

The cost of the physicals this year will be \$15 regardless of the number of children in a family. So, 1,2, or 3 children the total cost is still just \$15.

(all proceeds collected are donated back to athletic department by Dr. Michael Mattin and the staff performing the physicals)

This Spring the location of the physicals is the Delta High School main gymnasium. All students should report to the main gymnasium at the high school for registration.

Students should pick up an OHSAA physical form from their school office or they may obtain one online at:

http://www.ohsaa.org/Portals/0/Sports-Medicine/PPE_2017-18.pdf

You will notice that the OHSAA form is a 6 page document and all pages must be filled out the night of the physicals.

Parents be sure and sign the forms.

If you have any questions, please call:

High School Athletic Office
